Little Harbor's two off-shore islands are preserved as natural open spaces in perpetuity due to their donations in **2018** & **1955** to the **Trustees of Reservations**, which manages nearly 120 miles of coastline in MA and nearly the same number of total properties in the state.

Sunrises at Maverick's Cove

Crowninshield Island (formerly Brown's) was given by Louise DuPont Crowninshield in **1955**. **Gerry's Island** was donated by Ted & Julie Moore in **2018**. ✍ An endowment for ongoing preservation of both islands was raised by contributions to the Trustees from many people.
